

The Faculty of Medicine at Lund University can offer exchange students within Medicine the following course options:

Autumn semester (August-January)

- Surgery course (eng), 12 weeks
- Project work in Surgery, 8 weeks
- Clinical placements, 4 weeks (max 2 rotations, in total 8 weeks)

Exchange students who wish to come under the Erasmus study programme (min 3 months) should apply to:

Option 1: Surgery course (eng) + Project work in Surgery = 20 weeks in total (+ 2 introduction weeks in mid- to late August)

Option 2: Surgery course (eng) + 1 or 2 clinical placements = 16 or 20 weeks in total (+ 2 introduction weeks mid- to late August)

Exchange students who wish to come under the Erasmus trainee programme (min 2 months) should apply to:

2 clinical placements = 8 weeks in total (+ 2 introduction weeks mid- to late August)

Spring semester (January-June)

- Ob/gyn course (eng), 12 weeks
- Clinical placements, 4 weeks (max 2 rotations, in total 8 weeks).

Exchange students who wish to come under the Erasmus study programme (min 3 months) should apply to:

Ob/gyn course (eng) + 1 or 2 clinical placements = 16 or 20 weeks in total (+ 2 introduction weeks mid- to late January)

Exchange students who wish to come under the Erasmus trainee programme (min 2 months) should apply to:

2 clinical placements = 8 weeks in total (+ 2 introduction weeks mid- to late January)
